BLESSINGS TO YOU IN THE NAME OF THE FATHER, THE SON AND THE HOLY SPIRIT, ONE TRIUNE GOD, FOR EVER AND EVER. AMEN!

To All Our Priests and Faithful Members in Our Churches in the Diocese of Delhi.

Dearly Beloved,

The publication of *United in Prayer* marks a milestone in the efforts of the Diocese of Delhi to engage the participation of our members, especially the youth, in the worship and life of our Church. This book, which transliterates the Malayalam Services of the Christmas (Yeldho), the Epiphany (Danaha), the Great Lent (Valia Noyambu) and the Nineveh Fast (Moonu Noyambu) provides a ready tool for those who are unable to read it in the vernacular to participate in these services, even if understanding them is not readily attainable. Indeed, this will be a channel by which they can experience the spirit of these festive services through their participation in the congregational singing of the hymns used on these occasions.

I wish to specially commend Miss Sneha Susan and Mr. Jerin Philipose for their painstaking efforts expended in producing this book. Words cannot adequately express how indebted the Diocese of Delhi and its members are to these two young people for their inspired service to the Church. I also extend my commendations to the Mar Gregorios

Orthodox Church, Noida, its Vicar, Fr. Jacob George and its MGOCSM Unit for publishing this book.

I recommend that all families acquire a copy of this book so that the youth and the children can experience a dimension of the church services noted above, which they could not enjoy up till now. It certainly will make evident in their lives a true experience of the entire church joining in the praise of the One True God, to whom be glory for ever and ever!

May Almighty God bless you all!

Met. Dr. Youhanon Mar Demetrios

PREFACE

The Indian Orthodox Church (also known as Malankara Orthodox Syrian Church, Orthodox Syrian Church of the East), is a prominent member of the Oriental Orthodox Churches family. The Church traces its origins to St. Thomas the Apostle, who came to India in AD 52. The Church, though modern in its vision and outlook, keeps the traditional Orthodox faith and liturgy. The Indian Orthodox community inherited many aspects of Indian civilization and they are as any other member of any other community in India, in their customs, manners and life style.

The traditions of the Orthodox Church, its services and prayers have an in-depth meaning. It uses the translation of the Syrian liturgy. Today, the Church uses Malayalam as liturgical language in Kerala, respective local languages in other parts of India and English, outside India.

With the rapid growth of the Church and the diffusion of the Orthodox believers across the globe, the people who are born and brought up outside Kerala face a lot of problems in participating in various services of the Orthodox Church as many of our liturgical texts are available only in the Malayalam language. Due to this, there is a lack of participation of the young generation to meaningfully partake in most of our services. This lacuna is reduced to a large extent by the introduction of transliterated text for some of our services.

"United in Prayer" is an effort to fill the present void in the availability of liturgy in a language which is convenient to the members of our Church who are unable to follow the Malayalam prayer books. Effort is taken to include Prayers, Psalms and Luthinias which are read during the various services by the acolytes. This prayer book contains prayers and songs used during Yeldo Perunal, Danaha Perunal, Shubkono, Paathinombu, Swargarohanam and Pentecost. We thought it fit to include Sandhya Namaskaaram and Soothara Namaskaarams of the Valiya Nombu and Moonnu Nombu in this prayer book. We also contemplated on including the significance of each of the Perunals and the importance of Lents.

An attempt is also taken to include songs and prayers transliterated in this book from "Aandu Thaksa, Perunal Sushrusha Kramangal" and other prayer books, commonly used by the Indian Orthodox Church.

We hope that this book will be of use to the young generation & those who are born and brought up outside Kerala and to those who are not fluent in Malayalam.

Further, it is our hope that this will be a means to enthuse our members to participate in our services with more concentration and devotion. We expect that this book will truly unite us in prayer.

Sneha Susan Mathew
Jerin Philipose

YELDO (Nativity of Jesus)

The Nativity of Jesus, or simply The Nativity, refers to the accounts of the birth of Jesus in two of the Canonical gospels and in various apocryphal texts.

New Testament accounts of the Nativity of Jesus appear only in the Gospel of St. Luke and the Gospel of St. Mathew. The Nativity of Jesus in Christian theology concerns the Incarnation of Jesus in human form, free of sin and acting in obedience to and in fulfillment of the divine will of God, thereby undoing the damage caused by the fall of the first man, Adam and opening the opportunity for salvation. Following is the scripture reading for the day:

Holy *Qurbana*

Danaha Perunal
(Theophany)

Theophany (meaning appearance of God) is celebrated on January 6th. In Syriac this feast is called *Danaha* (meaning Dawn). On this day we celebrate the Baptism of our Lord. This feast is also called Theophany because at the Baptism of our Lord, the Holy Trinity clearly appeared to mankind, Father's voice is heard from heaven (represented as the Light), the Son of God is incarnate and standing physically in the river Jordan and the Holy Spirit descends on Him in the form of a dove.

Holy Qurbana

SHUBKONO

The Church, begins the Great Lent with the 'Day of Forgiveness,' and sets her journey into penitence. By, kneeling and prostrating, her people look ahead to *Kymtho*, the great feast of the Light. The service of reconciliation is conducted on Monday, the first day of the Great Lent, at the end of third hour. The Service of Reconciliation or *shubkono*, stands at the 'threshold of Great Lent.' This service is a preparation for lent and forgiveness and is marked by 40 prostrations and the kiss of peace at the end of the service.

Shubhkono service is all about love and forgiveness. The Gospel reading for the service is the "Parable of the Unforgiving Servant." The Gospel reading reminds us that not only must we be willing to ask for mercy or forgiveness but we must be willing to practice forgiveness and mercy. The Gospel of Saint Luke further reminds us of this when our Lord says "Be you therefore merciful, as your Father also is merciful." (Luke 6:36) Our Lord even reminds us of this when He teaches us how to pray in the prayer Our Father; "And forgive us our debts, as we forgive our debtors." (Matthew 6:12).

PAATHINOMBU (Mid Lent)

The 25th day of the lent which is always a Wednesday, is known as mid lent. This is one of the very few days during the great lent when the Holy *Qurbana* is celebrated on a weekday other than Saturday, Sunday or the fortieth Friday. On this day there is a procession around the church carrying the cross. This is followed by an exaltation of the cross (*Sleeba Aaghosham*) facing the four directions; East, West, North and South. Then the cross is placed on a big decorated stand covered with a red cloth (*Gogultha*) in the middle of the church. This remains in the church till the Feast of Ascension of our Lord which occurs 40 days after the *Kymtha* (Feast of the Resurrection i.e. Easter). The *Gogultha* & the cross in the middle of the Church signify "the serpent of bronze" (Numbers: 21: 4-9) which was erected by Moses in the desert. Further, in the Gospel reading for this Feast (St.John:3) it is written that "Like Moses raised the serpent in the desert, the Son was to be raised. This was for anyone, who believes in Him." (verses 14 & 15). This cross that is placed in the middle of the Church is the sacramental & sacrificial presence of Jesus Christ, the God incarnate.

SWARGAROHANAM

(Feast of Ascension)

The Ascension of the Lord (known as Ascension Thursday) is one of the great solemnities in the Christian liturgical calendar and commemorates the bodily Ascension of Jesus into heaven. According to the accounts in the Gospel of Luke and the Acts of the Apostles, Jesus appeared to many of his disciples during the 40 days following his resurrection. On the 40th day, he came again to the Apostles and led them out to the Mount of Olives where he instructed them to wait in Jerusalem for the promise of the Holy Spirit. Then, as they were watching, he ascended into clouds. As they continued to watch, two angels appeared and declared to them that, just as he ascended, Jesus would return in glory. Ascension Day is traditionally celebrated on Thursday, the fortieth day from Easter day.

The Sunday after Ascension is the Sunday of the Holy Fathers who held the First Ecumenical Council at Nicaea. This council formulated the first two paragraphs of the Nicene Creed.

For many Christians, Ascension Day's meaning provides a sense of hope that the glorious and triumphant return of Christ is near. It is a reminder of the Kingdom of God within their hearts, and of the ever-present Spirit of God, watching over and protecting them as they spread the light of Jesus' truth throughout the world.

PENTECOST

Pentecost is the day that the church was born. Christ was crucified; rose again, spent forty days with his disciples and then ascended to heaven. It takes place 50 days after Easter Sunday. Pentecost ("the Fiftieth day") is a prominent feast in the calendar of Ancient Israel celebrating the giving of the Law on Sinai, and also later in the Christian liturgical year commemorating the descent of the Holy Spirit upon the disciples of Christ after the Resurrection of Jesus. Pentecost also falls on the tenth day after Ascension Thursday. Among Christians, Pentecost commemorates the descent of the Holy Spirit upon the twelve apostles and other followers of Jesus as described in the Acts of the Apostles 2:1-31. For this reason, Pentecost is sometimes described as the "Birthday of the Church." For two millennia, Christians have been celebrating the church's birthday with joy and exuberance.

This service is divided into three main categories:

- First service relates to "The Father"
- Second service relates to "The Son"
- Third service relates to "The Holy Spirit"

Concluding Prayer

VALIYA NOMBU (Great Lent)

The Great Lent is observed as a preparation for our Lord's death on the cross and His resurrection. It starts with vespers (i.e. evening prayer or ramsho in Syriac) on Kothine Sunday or Pethrutha and concludes with the Holy Qurbana on Kymto Sunday (Resurrection Sunday).

Great Lent combines both fasting and dietary restrictions. According to the Hudoyo Canon fasting during the Great Lent is up to the ninth hour (approximately 3 p.m.) on week days, and till noon (12 p.m.) on Saturdays and Sundays.

MOONNU NOMBU
(The Nineveh Fast)

This three-day fast originated in the 4th century. It falls in January or February every year. Hearing the words of the Prophet Jonah, the people of Nineveh repented and fasted for three days. God was merciful and saved the city. This fast also commemorates the time spent by Jonah in the stomach of the Whale.
